*Let's give a big thanks and goodbye to
our past officers ~ What a great job they did!*

Words of wisdom from Past Officers to our New Officers:

My advice to my successor would be to be fair, listen to all, and when necessary make a decision, but explain it. People listen to a thoughtful leader, not just a leader. Joe Q.

The year I spent as recording secretary was very informative in learning how the club was run. It really helped me to meet more club members. Thank you for a great year and good luck to Tess Dybel, our new recording secretary. Carol S.

Be aware of your surroundings – make sure people pick up after themselves, especially if they make a mess. Try and make sure people are courteous when dancing – show politeness to others and in return hopefully they will show it back. Art S.

*Thanks So Much
To Tess who Hosted
This Really Nice Event!*
